

Make the Switch!

Thanks for choosing Landmark National Bank! With just a few easy steps, you can transfer any existing direct deposits or automatic payments with this kit. No matter where your journey takes you, we'll go with you. Let's get started!

Open Your Landmark account.

You can open your account online [here](#), or visit any of our 30 branches.

Get Organized.

Use the form on the next page to get all of your previous financial accounts organized.

Move your Direct Deposits to Landmark.

Send a Direct Deposit Authorization Form to your employer, so your funds will be automatically deposited to your account. If you have more than one direct deposit, complete a form for each source.

Move your automatic payments.

Switch any automatic payments you have (utility payments, loan payments, gym memberships, etc), so they'll come out of your new Landmark account. Simply complete an Automatic Payment Cancellation Letter and send it to each of your creditors.

Close your old account.

Make sure all of your checks and automatic payments have cleared your old account before you close it. Then, use our Account Closing Letter to notify your other bank to close your account and disburse any remaining funds to you.

Organize Your Finances.

List all companies with Direct Deposits and Automatic Payments

You may want to reference the most recent bank statement from your old bank to make sure you have a complete list. You'll also need the statements or payment information (payment addresses, account numbers and payment amounts) for any of the automatic payments.
